

Admission Process

Holistic Admissions

Introduction & Timeline

INTRODUCTION

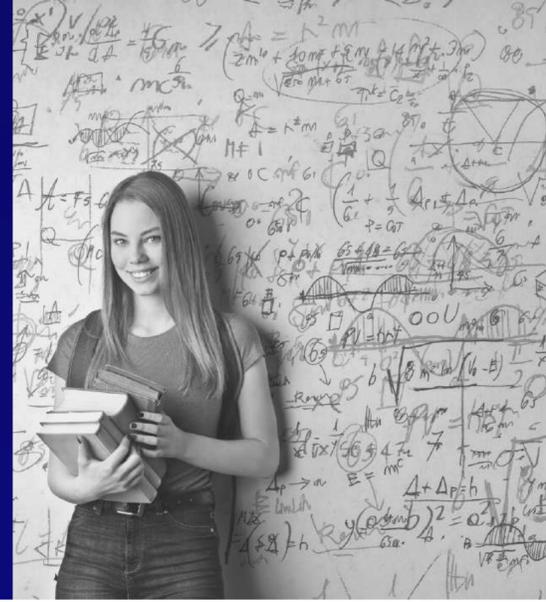

At **3G School of Applied Psychology**, we are looking for dedicated minds from diverse backgrounds to come together in changing the dynamics of the Psychology Domain. Our holistic admission process goes beyond the academic scores and gauges potential through various methods.

If you are dedicated, passionate, and committed to psychology, we are looking for you at 3G SOAP. This is a revolutionary program that is challenging the status quo and all the traditional teaching methods.

We wish to have students who are open-minded, believe in the era of technology and what lies beneath it, and a student who is up for remaining devoted to the Psychology Domain. The students need to have the mindset and goal for reaching the top of the psychology domain. We are not looking for students who just want an average life by doing a 9-5 job.

Holistic Admissions Admissions Policies

ROUND 1 - APPLY ONLINE

- Step 1: Fill in the **General Application form Including**

- Personal Details
- Address
- Parents Background
- Education
- Payment
- Uploading documents

- **Step 2: Submit your Document Resume**

- Definition: A resume is a document created and used by a person to present their background, skills, and accomplishments.

- **Step 3: Submit your Video Resume**

- Definition: A video resume is a brief account of an applicant's experience, skills, qualifications, and interests. Please feel free to make the video as elaborate as possible, talk about the important vision and goals of your life, add in a little bit of creativity by editing the video if possible. Holistic Admissions Admissions Policies

- **Step 4: Submit your Statement of Purpose**

Definition: SOP is an essay stating the purpose of applying to a particular course in a particular university. This essay consists of a gist of who you are, whom you want to become, and how ready you are to pursue a certain course in an institution. It should be between 500 and 1,000 words.

*Please research, but ensure your SOP is never copied.

- **Step 5: Submit a short 500-word paragraph on "*Why we should select you?*"**

ROUND 2

Selected applicants will advance to Round 2. In this round, applicants will need to do the following:

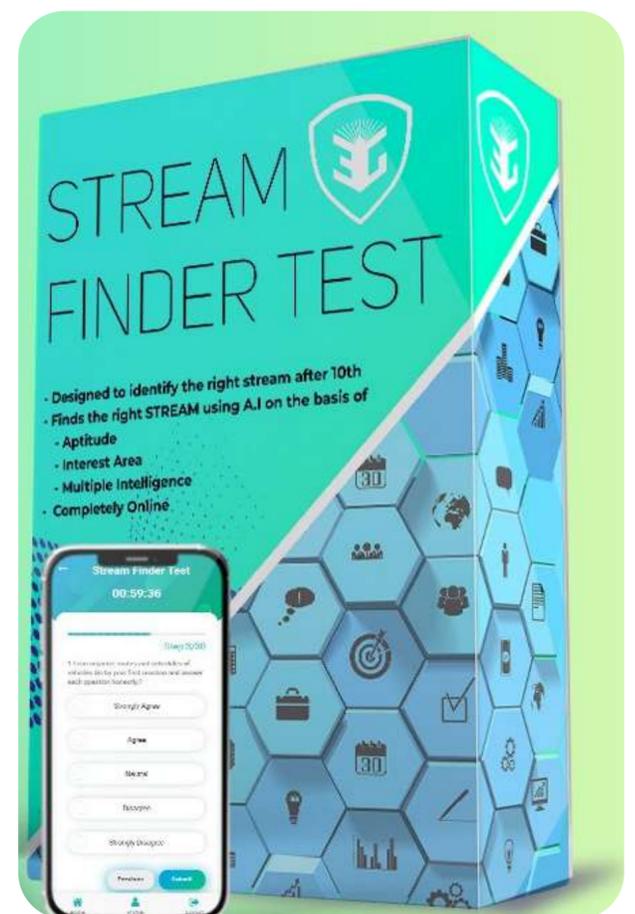

3G Standardised Test: The student will be taking Skill finder and Right Career Finder Test

- **Skill Finder Test :**

Skill finder test is designed to identify your interests and multiple intelligence. It will help you to find the skills already developed in you and to identify the skills to be developed based on your interests. This test report will map out your interest areas, multiple intelligences and provide you with suggestions on which career field you can flourish.

- **Right Career Finder Test :**

Right Career Finder test is designed to identify the right career that fits you on the basis of your interest area, aptitude, personality type, multiple intelligence, career motivators, skills, knowledge, etc. Selecting the right career is very important as you are going to spend a major part of your life on this career. This test will help you, to make a decision on the right career from a large number of career options before you and to select the skill improvement programs to be attended to make a good career growth.

ROUND 3

Individual Presentation

You will be having an individual presentation where you will be talking about the below-mentioned topics:-

- Racism and its effects
- Homophobia
- Social issues involving or related to culture
- What is social depression?
- What is social cognition?
- How does social anxiety affect people?
- Gender roles in our society
- Gender discrimination and its causes
- How does peer pressure affect teenagers?
- Effect of marital disputes on children
- Factors that can contribute to delay in the mental development of a child.

Ensure the presentation is created on Canva and is visually appealing.

Group Discussion

You will be having a Group Discussion and debate on a certain topic that will be sent to you beforehand, you will be given time to prepare and brainstorm ideas.

Personal Interview

This is an opportunity for the student to talk about what psychology means to you and show the interviewer you are eligible to join this program and you deserve the opportunity. Below are few questions that would be asked by the interviewer:-

- How would you describe yourself to someone who did not know you?
- What are your strengths and weaknesses?
- Who is your role model and why?
- What are some of your interests outside of school?
- What are your plans after you graduate from college?
- What skills do you expect to develop through your program?
- Where do you see yourself in 10 years?
- Why should we select you for the M.A Psychology program?
- How are you planning to contribute to society?
