3G SCHOOL OF APPLIED PSYCHOLOGY

A MISSION TO ADDRESS THE MENTAL HEALTH CRISIS IN INDIA BY CREATING EQUIPPED PSYCHOLOGISTS

About 3G School of applied psychology_(3G SAP)

After 10 years of In-Depth Research, we have launched the 3G SAP in order to address various challenges in the domain ranging from awareness, social resistance, mental health, obsolete methodologies, etc. We have the vision to build leaders in the psychology domain who can impact and make a difference with a completely revolutionized learning pedagogy. Please learn more about us at www.3gschoolofpsychology.org

3G SAP is an initiative of 3G IRPS and Genius Educations.

3G IRPS - WHO WE ARE (Research organization)

Addressing the cause and effect of the “world employment crisis” due to the fourth industrial revolution, the biggest threat to humanity. (69% of Indian Jobs will be automated by 2030 and 80% across the globe).

Mission 3G "Build India to serve the world" was launched in ISB Hyderabad and is designed as a result of 10 years of research on Education, Psychology & Employment by thousands of scholars including eminent academicians from Harvard University, Massachusetts Institute of Technology, Indian Institute of Technology (Bombay), Indian Institute of Technology (Delhi), Indian Institute of Management (Bangalore), Indian School of Business (Hyderabad) and other institutes of global stature

Headquarters : IIT Madras Research Park

3G PSYCHOLOGY CAREER SUMMIT - 2021

The Psychology Career Summit - En-PSYCH-lopedia is an initiative by the 3G School of Applied Psychology. This event aims to resolve any questions or confusion a person might have regarding the field of psychology. Despite psychology being a peculiar field and an upcoming one at that, there's a lack of knowledge about the career prospects and its realities in India and around the globe. We hope that this summit shines a light on the different career opportunities in psychology and how to pursue them. It will also focus on the future of psychology, what are the possible and inevitable changes that we'll see in the future and how can we prepare for it.
